

HOUSING PROGRAM OPTIONS

A SAFE HAVEN VETERANS HOUSING

Since 1994, A Safe Haven offers community based housing that can include up to three types of Veteran housing based on need, assessment and eligibility. The housing types range from Veteran transitional housing, per diem housing and permanent affordable housing. Veterans residing at A Safe Haven have the opportunity to have access to the appropriate level of housing which may include full wrap-around services; supportive housing and employment services; to independent permanent affordable housing. All housing options are based on individual assessment and eligibility to address and accommodate the Veterans unique situation. Based on the assessment and eligibility, a Veteran can start at the transitional housing stage and work their way progressively through our housing programs. They can also start at the per diem program level or go directly to independent permanent affordable housing. A Safe Haven has many beautiful locations within and throughout the greater Chicagoland area and all housing is in neighborhood settings. Regardless of the path taken, the end goal is the same--to achieve successful reintegration into the community, sustainable self-sufficiency and permanent independent affordable housing, with pride and purpose restored.
